To Whom It May Concern:

I am pleased to have the opportunity to write a letter of support for The Daybreak Crisis Recovery Center ("Daybreak"), an organization that not only provides critical intervention and support services to victims of rape and sexual assault, but also educates the public and raises community awareness of these issues.

As a valued member of RAINN's network of affiliate crisis centers, Daybreak is a key partner in a number of RAINN programs including the National Sexual Assault Hotline, The National Sexual Assault Online Hotline and Get Carded. RAINN refers hundreds of callers a year to Daybreak's 24/7 crisis services, and works closely with them to effectively promote hotline services and educate the public. Additionally, Daybreak has been an invaluable partner in providing training and resources to other crisis centers in RAINN's network.

As president of RAINN, I believe that Daybreak's participation in our programs has been critical to our efforts to combat sexual violence. In order for them to continue to make a difference, additional funding is imperative. I feel that they are a very worthy recipient of your support, and I recommend The Daybreak Crisis Recovery Center without reservation.

Best regards,

A handwritten signature in black ink, appearing to read "Scott Berkowitz", written in a cursive style.
